Selling Points

1 Sharing Has Never Been Easier

The **Acer Revo** is a master of sharing multimedia between all of your **Clear.fi** enabled digital devices. **Revo** can access photos and videos from your smartphone, display them on your TV, and save the files to your notebook!

Featuring the **Acer clear.fi solution**, automatically connect all of your household digital devices, including your smartphone, mobile Internet device, notebook, all-in-one PC, HD media player, and more. Super-easy to use, Clear.fi allows you to manage, store, share, and enjoy media between any Clear.fi enabled devices, in any room throughout your home.

2 Robust Computing in a Compact Size

The **AMD E-Series Processor E-450** with **VISION Technology** enriches what you see, share and create so your digital life is more vibrant. Experience fast HD browsing, watch DVDs and online HD videos, play casual games or run mainstream software applications with responsive and energy efficient performance for everyday computing.

AMD Radeon™ HD6300 Series Graphics delivers superior graphic performance, rich visual effects and incredible realism for ultimate enjoyment of today's popular games and applications

500GB Hard Drive provides plenty of room to store your favorite movies, photos or games for instant access wherever you are.

Six USB ports and a **Media Card Reader** make transferring your photos and other files as easy as ever.

3 Instant Multimedia Fun

Stay in touch all day with **Gigabit Ethernet** connectivity and built-in **802.11b/g/n wireless** which automatically detects hotspots, and reduces dead spots and dropped connections. Whether using it in your home or other location- you'll be connected.

The **HDMI interface** makes it a perfect fit for the living room, where it can easily connect to an HDTV or monitor for enjoying digital media or casual games on the big-screen!

Windows® 7 Home Premium makes the things you do every day easier and with **Office Starter 2010**, experience new ways to deliver your best work! Buy **Microsoft® Office 2010** to activate a full-featured Office suite preloaded on this PC.

Netflix
Wild Tangent Game Zone[7]

(1) Overall system performance is based on several PC attributes. GHZ, processor clock speed, is one of the attributes.

(2) Shared system memory may be allocated to support integrated graphics depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of shard system memory utilized by the graphics solution and resources required by the operating environment.

-

(3) For a free copy of the standard limited warranty end users should see a reseller where Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503.
